Ruth/Kathy,

The revised versions of the Reg/Preamble are on the sharepoint site - links are below. There are still things we need to discuss but these versions are getting closer and I finally made the time to get up to speed.

Attached also is:

1) a background I pulled together from 402 and 404 on partial

And

2) a list of consistencies as we move forward on the reg/preamble. Hopefully we can come to consensus early so we don't have to keep looking for the inconsistencies.

Lastly, what is the plan and timeline?

- A) Do these need to go back out to the sub-workgroup after they are clean then to Mindy ?? Concurrently?
- B) John G Review.
- C) When is Dave expecting pieces for consideration?

Thanks
Chris
